An important message from MAD's  
Director of Business & Development,  
**DAN BROWN**

*It is often said that "the fruit doesn't fall far from the pond" and that "if you want something done right, forget it." To that, I might add, "a pound of cheese is good, especially if it's good cheese." My point is clear.*

*MAD — the magazine whose time is and was and continues to be — was never read by Vikings. They were too busy marauding and being fit for helmets. You, on the other hand, can have the best of both worlds. You can subscribe to MAD and be a Viking.*

*But who in today's modern world has time to be a Viking, you ask? Who indeed? The hours are long and the pay meager. Which is why you should subscribe to MAD. Yes, MAD. If Vikings had their own mail service and knew how to read and weren't so busy marauding and getting fit for helmets, it would have been their magazine.*

*So, be like me. Be like a Viking.*

## AN IMPORTANT LETTER TO OUR VALUED MAD READERS

Like you, we've been shocked by the recent revelations that major media organizations such as CNN, *The Boston Globe*, *Time* and *The New Republic* have run stories filled with lies, plagiarized material and even made-up sources. In light of these incidents, we felt we owed it to you, our valued reader, to check into our own house.

What we found sickened us! We discovered that for more years than we can count, MAD artists and writers have been making up names, facts, figures and, in some cases, ENTIRE STORIES!

To cite just one example from our intensive internal investigation, when we asked writer/artist Al Jaffee to provide us with even a single reliable source for his SNAPPY ANSWERS TO STUPID QUESTIONS, he mumbled something about a "doorman at the Monte Carlo Hotel." Unfortunately, after spending almost two weeks in that luxury hotel, we could not find a single doorman who had even ONE Snappy Answer to our Stupid Questions!

Other investigations turned up still more disturbing information. We discovered that there was no movie called *Try-Panic*, yet in MAD #369 we devoted six entire pages to it! There was no movie called *Sleep Impact*, either! And it gets worse! There is no such TV show as *Ally's Appeal*, no such magazine as *Cigar Addictionado* and no such company as *The Freakland Mint*! Yes, although ALL those names were fabricated, they found their way into recent issues of this magazine! And that troubles us greatly! In fact, the only feature we found to be 100% factually accurate is *The Lighter Side of...*, specifically that "Doctor" and his fat, hypochondriac patient!

As the co-editors of MAD, we feel that in some small way we're responsible for what's in our magazine and that we were duped by the MAD writers and artists. But rest assured, we have put every one of the Usual Gang of Idiots on official notice that we will be checking facts, determining sources and making phone calls to find reliable references! Because if we don't put our corporate foot down now, who knows what our sneaky writers and artists will do next! They could even make up some stupid "official" looking letter, print it in the magazine, and put our names on it! THAT we won't stand for! Trust us, we won't be fooled again!

MAD-ly,  
John Ficarra

## MAD'S CONUNDRUM SOLVED

There's a scandal brewing on the Letters Page that's threatening to shake Ed's little empire down to its very foundation! In issue #374 we asked readers to vote whether or not Howard Stern's lackey Jackie "The Jokeman" Martling, former child actor Butch "Eddie Munster" Patrick or that big guy who played Chief in *One Flew Over The Cuckoo's Nest* were genuine celebrities worthy of a free MAD Celebrity Snaps subscription. Little did we know when we began this MAD conundrum that one unscrupulous reader would attempt to perpetrate a fraud, a hoax, a devious plot of deceit!

As brilliantly exposed by MAD Letters Page Hardy Boys sleuths Terry Holloway of West Liberty, KY and Raymond Heship Jr. of Ardmore, PA., the question "Is Chief of *One Flew Over The Cuckoo's Nest* a celebrity worthy of MAD's Celebrity Snaps" should have been, "Just who the hell is the big, tall guy in the photo with Jerry Lee?" As Terry and Raymond point out, the real Chief (Will Sampson) bought the farm several years before the birth of MAD Celebrity Snaps! What is the world coming to when something as pure and wonderful, and, dare we say, *magical* as the MAD Letters Page can be corrupted and poisoned by the likes of Jerry Lee of LaVerne, CA? Needless to say, Jerry, don't waste your time standing by your mailbox waiting for that free subscription to arrive!

As for the other two contestants, we received an avalanche of responses and here are the much anticipated results: With 100% of the precincts reporting, MAD can now confirm that Butch Patrick is in fact a celebrity with an affirmative vote of 73.3%! The news is not so good for Jackie "The Jokeman" who MAD respondents rejected as a celebrity in a highly contested vote. Only 46.7% of those voting thought that Jackie qualified as a celeb. He therefore falls tragically short of the precious 50% needed to enter the pantheon of MAD Celebrity Snap celebrity-hood! Turns out the joke's on Jackie! Congrats to Greg Dwyer of Davenport, IA for your three-year subscription!

## ENVELOPE OF THE MONTH

TERRY HOLLOWAY

Our Envelope of the Month was submitted by none other than MAD Letters Page Hardy Boy Terry Holloway (see MAD's Conundrum Solved above.) Unfortunately for Jerry Lee, it turns out that Terry is not only a voracious reader of MAD, but also a distant relative of the real Chief! Thanks again Terry!

## FANBOY

Comic book fanboys will want to take their monthly shower, race out of their parents' basements and down to their local comics shop to pick up the first of six issues of a comic book about themselves! It's called, oddly enough *Fanboy* — it's all about a comic dweeb named Finster who lives his life vicariously through superheroes such as Superman. (Originally, the plot called for Finster to live his life vicariously through the life of Wonder Woman, but those clownbirds down at the Comics Code can be real sticklers!) Anyway, we're telling you all this only because *Fanboy* is illustrated by MAD's own Sergio Aragones, who himself is a bit of a stickler!

## THE BOYS OF DUMBER

I am a huge fan of your magazine, but the Backstreet Boys "Pop Off Video" (#374) really pissed me off. Especially the part where you say that girls that like Howie are imbeciles. For your information, I am madly in love with Howie Dorough and nobody thinks I am an imbecile! Don't pick on him because he is sexy, brilliant and talented in the art of dance.

Lynn Collier  
Claverack, NY

Collie — Since you're so madly in love with Howie Dorough, we thought there'd be a few things you'd want to know about him!

- Once bet Nick Carter \$100 that Swamp Thing could kick Superman's ass.
- Sleeps in the nude but showers fully clothed.
- Once said he was heavily influenced by Hegel's Theory of the Categorical Imperative. Duh, everyone knows that's Kant!
- Owns a complete set of MAD action figures, available now at your nearest comics shop! For the one nearest you call 1-888-COMIC-BOOK. —Ed.

## THE EXCLAMATION FILES

I just have one minor problem with your magazine. Please stop ending every sentence in every movie parody with exclamation marks. For example, in *The X-Files* parody, you wrote, "I'm FBI Director Skinfint, Moldy and Skulky's boss!" Why is there an exclamation mark? Are we supposed to be surprised? Is this something that has to be emphasized and exclaimed?

Michael Lancione  
Quebec, Canada

**Mikey —** We here at MAD are nothing if not strict grammarians — aficionados of punctuation. We mull over each individual sentence, honing, buffing and polishing it until it reaches syntactical excellence. In fact, here's three variations of our latest sentence. Which do you think is most grammatically effective:

- 1) Michael Lancione is a nimrod.
- 2) Michael Lancione is a nimrod?
- 3) Michael Lancione is a nimrod!!!!!! —Ed.

## AND I SAY TO MYSELF, WHAT A WONDERFUL WORD

The word "schmuck" has appeared in several issues of MAD. There is no definition of the word in the dictionary. I was hoping I would find out the definition of the word a while ago. But issue after issue I still couldn't find it.

Michael Levesque  
Attleboro, MA

**Levi —** We were never exactly sure what it meant either. So we made a quick trip to the old Roget's Thesaurus and we were a tad surprised at the synonyms we found: "Shmuck, n. idiot, Gingrich, Oprah, Godfrey, Celine, Stern, Starr, Godfrey (as a verb), fool, nimrod, Lancione and Edwing. We hope you've enjoyed this vocabulary exercise. Next time somebody calls you a schmuck (and there will be a next time) you'll know exactly what they mean! —Ed.

## OUT OF 'TOON

I've loved your magazine since I was a little girl. I've often wished I were a cartoonist for it. Since I'm hitting the big 40 on January 23rd can you give me this one wish to print my cartoon below?

Brenda Butler  
Dunkirk, NY

**Birthday Brenda —** Your letter sent the office abuzz. We at the *Make a Dumb Wish Foundation™* are happy to reprint your cartoon. Unfortunately, due to space limitations we had to reduce the 4 x 5" cartoon slightly. Nonetheless, we hope you are as excited to have your dumb wish fulfilled as we were to have granted it. Once again, have the happiest of birthdays! —Ed.

*"I'm a gay man who was recently arrested for committing a lewd act in a men's room. Now, I'm afraid my fans won't respect me."*

## DR. DREW SAYS...

Considering that you're a successful actress, you sound very insecure. If you want to keep the relationship going, you should seek counseling right away.

You have many issues to iron out, not the least of which is why you still bother to make movies when they all lose a fortune and aren't seen by anyone except clinically depressed New Yorkers. You should seek counseling right away.

If they love you, they'll be supportive. If they hate you, seek counseling right away.

## ADAM COROLLA SAYS...

I'd rather kiss a lesbian than Vince Vaughn any day of the week! Trust me, you have nothing to worry about!

You want understanding? Go on Jerry Springer and hope for understanding from the tattooed white trash in the studio audience who regularly date blood relatives!

You were in a band called Wham! and you're looking for respect? Good luck, Butt Pirate!

Buy your lover flowers and say you're sorry.

I hear there's a long waiting list for adoptions, so be thankful that you guys ever met at all.

That guy Roger Dangerfield gets no respect and his fans love him.

For the same reason you can't understand that you have a serious problem and need to seek counseling right away.

I can't imagine loving someone so much I'd be willing to kill for them. Hell, I haven't even met anyone I'd be willing to jaywalk for!

Wow, that makes me think about that Glenn Close movie. You know the one I'm talking about? I think it was called *Hook*.

You have an eating disorder worthy of an after-school special. Get counseling from a good doctor right away.

Hey babe, at this point the only way you could lose any more weight is by amputating limbs!

I have a friend who's a fashion model. She's pretty.

*"As part of a plea-bargain I made, I had to get counseling, yet I still have the urge to dress up in women's clothes. What can I do about this?"*

It's good that you sought counseling for your problem, but since you still have perverted urges, you'd better seek more counseling right away.

I don't think it's an urge so much as a matter of taste. Some guys like boxers, some like briefs. You happen to like little, pink, frilly Victoria's Secret numbers!

Sometimes my husband borrows my umbrella.

Anyone who tapes sex with their spouse is an exhibitionist. Anyone who watches such a tape is a voyeur. You and everyone who saw the video should seek counseling right away.

# LETTERS TO MICHAEL JORDAN

Dear Michael,  
I am a High School basketball player who idolizes you and has spent every waking hour for the last 5 years trying to be like Mike and not to brag or anything, but I think I'm almost there: I can jump like you! I can play defense like you! I can hang in the air like you! There's just one thing I can't do like you, so I thought I'd write and ask you straight out: Exactly how do you intimidate referees into never calling a foul against you?  
Thanks for making me a future Superstar!

HEY, YOUR AIR-NESS!

SO, YOU THINK YOU'RE THE GREATEST "PLAYER" OF ALL TIME, HUH? SURE, YOU'VE BROKEN LOTS OF RECORDS, BUT IT SEEMS TO ME YOU'RE STILL ABOUT 19,990 WOMEN SHORT IN ONE "SCORING" CATEGORY!

THE REIGNING CHAMP,  
Wilt Chamberlain

Dear Michael,

I used to be a mediocre second stringer on my high school's J.V. basketball team. That is, until I decided to take YOUR advice and do EVERYTHING I could to BE LIKE MIKE. I ate at McDonald's every day, drank Coke and Gatorade, consumed mass quantities of Ballpark Franks and gorged myself on Saralee pastries. And now, guess what? I weigh 340 pounds and have ROTTEN TEETH!!! I can't even squeeze into my air Jordans and when I waddle onto a basketball court everyone laughs and points at me!! Thanks alot, you @#\$%# Chrome-dome!!

Dear Mr. Jordan,

We are writing to express our deepest gratitude for bringing yet another NBA title to the great city of Chicago (and, more importantly, the ensuing celebration/riot — check out the enclosed clip from the paper!) Thanks to you, 1998 will go down as a year of record glass-breakage — and record profits!

Once again: THANK YOU! THANK YOU! THANK YOU! THANK YOU! THANK YOU! THANK YOU! THANK YOU! THANK YOU! THANK YOU! THANK YOU! THANK YOU! THANK YOU! THANK YOU! THANK YOU! THANK YOU!

Championship Marred by Violence

Chicago (AP) — Hundreds of storefront windows were shattered last night as Chicago Bulls fans celebrated their team's victory over the Utah Jazz for the NBA title.

"There was glass flying everywhere," said Police Chief Sam Vicecomb. "It's going to cost store owners a fortune to repair this mess."

Witnesses say the destruction began just moments after Michael Jordan buried the last-second jump shot over Bryon Russell to clinch the NBA championship for the Bulls.

"Jordan hit the shot, the buzzer sounded and then all I could hear was the sound of windows being broken," said Frank Pimento, who lives just above an electronics store that was looted.

Dear Michael,

My name is Phut. I am 8 years old and live in country so poor it can not afford name! I work 18 hour a day in Nike factory what make Air Jordans. So I feel like I know you already!

Is no trouble, could you pleez talk to boss to give me a raise to 12 cents a week? (and also not to beating me all a time?) By the way, congrats on your new \$10 million endorsement contract you just signed with Nike (way to <sup>put the</sup> screws to Phil Knight, Big boss man at the Nike!) your "co-worker"

P.S. Next time you see Phil, can you ask him why we never get invites to Nike Company picnics/pi!! (or at least could he send leftovers? we so very very hungry here.)

Dear MR. MICHAEL JORDAN:

Are you financially prepared for your retirement? You've heard the horror stories about retirees forced to survive on cat food and "dumpster-diving" because they made the mistake of counting on a measly Social Security check to pay the bills. Why worry about that happening to you, MR. MICHAEL JORDAN, when you can add hundreds of dollars a month to your income with a low-cost, tax-free annuity from Golden Years Insurance Company?

For just pennies a month you'll receive full coverage to protect your family's financial interests from hardship and/or distress

Dear Michael,

We know that you are a busy man, what with the 82-game season, the playoffs, your endorsement deals, your charity work, the promotional appearances, your film career, your restaurants, etc., but we all would LOVE to see you again sometime soon.

Sincerely,  
Your wife and kids

# ABBOTT & COSTELLO ORGANIZE

- ABBOTT:** Look sharp, Costello. I had to pull some strings to get us this job organizing tapes in the music video library.
- COSTELLO:** But some of these singers and songs today have pretty confusing names.
- ABBOTT:** That's all right, boy. I know all the songs. You pull the videotapes, and I'll tell you which song each one is, and who does it.
- COSTELLO:** And I'll write it down. Let's start with this Tracy Chapman video. Tell me the name of the song.
- ABBOTT:** *Give Me One Reason.*
- COSTELLO:** I told you, so I can write it down. So tell me which Tracy Chapman song this is.
- ABBOTT:** *Give Me One Reason.*
- COSTELLO:** We're behind six months on the rent! You need a better reason?
- ABBOTT:** I'm telling you, man!
- COSTELLO:** Don't get so mad at me. Forget this video, I'll save it until the end. Here's a bunch of Alanis Morissette tapes, but they're all mixed up. Which song is this one?
- ABBOTT:** *You Oughta Know.*
- COSTELLO:** I don't know the names of the songs. Which song is this?
- ABBOTT:** *You Oughta Know!*
- COSTELLO:** But I DON'T know! What about this other Alanis Morissette video?
- ABBOTT:** It's *Ironie*.
- COSTELLO:** It's ironic that I don't know the name of the video?
- ABBOTT:** You heard me. It's *Ironie*.
- COSTELLO:** I don't think it's ironic.
- ABBOTT:** I'm telling you it's *Ironie*!
- COSTELLO:** Let's go back to the first one.
- ABBOTT:** *You Oughta Know, Costello.*
- COSTELLO:** Do you know the name of the Alanis Morissette song?
- ABBOTT:** Certainly.
- COSTELLO:** Then please tell me the name of the Alanis Morissette song.
- ABBOTT:** *You Oughta Know.*
- COSTELLO:** You say I oughta know but I don't know. Now THAT's ironic!
- ABBOTT:** No, that's the SECOND video!
- COSTELLO:** I got two videos and I don't know either of 'em. What about this Mase video? What's the name of the song?
- ABBOTT:** *What You Want.*
- COSTELLO:** The name of the Mase song.
- ABBOTT:** *What You Want.*
- COSTELLO:** I want the name of the Mase song.
- ABBOTT:** *What You Want.*
- COSTELLO:** The name of the Mase song. You oughta know.
- ABBOTT:** Now you're talking about Alanis Morissette again.
- COSTELLO:** And let me guess — it's ironic.
- ABBOTT:** Now that's the first correct thing you've said all day, Costello!
- COSTELLO:** I don't even know what I'm talking about!! Could you pick up that tape next to you?
- ABBOTT:** Of course.
- COSTELLO:** Which song is on that tape, Abbott?
- ABBOTT:** *I Still Haven't Found What I'm Looking For.*
- COSTELLO:** That tape there in your hand.
- ABBOTT:** *I Still Haven't Found What I'm Looking For.*
- COSTELLO:** That tape there.
- ABBOTT:** *I Still Haven't Found What I'm Looking For.*

# THE **MTV** VIDEOTAPE LIBRARY

**COSTELLO:** Why don'tcha look in your HAND? Okay. Forget the song. Was that video made by a group?

**ABBOTT:** Of course it was.

**COSTELLO:** And that group gets royalty payments from the record company?

**ABBOTT:** Every dollar. And why not? The group's entitled to it.

**COSTELLO:** So you know what group gets the royalty payments?

**ABBOTT:** Yes. U2

**COSTELLO:** Me too?

**ABBOTT:** U2, Costello.

**COSTELLO:** I get the royalty payments?

**ABBOTT:** Of course not, you're not in the group.

**COSTELLO:** I'm not in the group?

**ABBOTT:** No.

**COSTELLO:** But you know what group gets the payments?

**ABBOTT:** Certainly. U2.

**COSTELLO:** I'm not in the group but I get payments.

**ABBOTT:** You do not!

**COSTELLO:** But you know who does.

**ABBOTT:** Of course. U2!

**COSTELLO:** I'd really like to be writing some of these down. Do you know the name of the group on this video?

**ABBOTT:** No Doubt.

**COSTELLO:** Oh, I don't doubt YOU know it, but I wonder whether I'll ever know it. Can you tell me the name of the song?

**ABBOTT:** *Don't Speak*.

**COSTELLO:** Don't speak?

**ABBOTT:** You heard me, Costello. *Don't Speak*. Ready for the next video? Costello? Costello!

**COSTELLO:** You told me don't speak!

**ABBOTT:** That's right, *Don't Speak*. Ready for the next one? Costello? Why aren't you talking?

**COSTELLO:** You oughta know.

**ABBOTT & COSTELLO:** Alanis Morissette!

**ABBOTT:** Why are you getting so excited?

**COSTELLO:** Music affects me that way sometimes. I have a video here by En Vogue. Can you tell me the title?

**ABBOTT:** *Never Gonna Get It*.

**COSTELLO:** Why am I never gonna get it? Give me one reason.

**ABBOTT:** That's Tracy Chapman, we're not talking about her!

**COSTELLO:** I'm not talking about Tracy Chapman either. You oughta know.

**ABBOTT & COSTELLO:** Alanis Morissette!

**COSTELLO:** Since we're naming so many female singers can you tell me the title of this Sheryl Crow video?

**ABBOTT:** *If It Makes You Happy*.

**COSTELLO:** I would be ECSTATIC! Here's the last one. Which Spice Girls song is this?

**ABBOTT:** *Stop*.

**COSTELLO:** I'm not sure we ever started.

**ABBOTT:** You mean you haven't written any of this down?

**COSTELLO:** How could I write any of it down? I ask for a title and you tell me it's what you want, and it's ironic I still haven't found what I'm looking for! Give me one reason! You too! Don't speak! Stop! No doubt I'm never gonna get it if it makes you happy! Because you oughta know — Alanis Morissette! Well I've had it! I want you to quit playing games!

**ABBOTT:** What's that you just said?

**COSTELLO:** QUIT PLAYING GAMES!

**ABBOTT:** Ohhh, that's the Backstreet Boys!

**COSTELLO:** URK!!!

MR. GORE

Aren't computers great? With their super-fast processors and multi-tasking capabilities, these modern miracles make us more productive and efficient, thus saving hours of valuable time — that is, on those rare occasions when they work properly. When they don't you can look forward to wasting all those valuable hours you saved by sitting on the phone with some tech support guy out in Seattle trying to figure out what "Error 32-Bx.5" means. And why is it that these giz whizzes are about as courteous and helpful as a French tourism official? To find out, we sent a top-notch squad of MAD Investigative Journalists to infiltrate the nation's computer companies. They came back with this secret memo...

# the 10 RULES of COMPUTER TECH SUPPORT

**1** Voice mail options are to be changed every Monday to ensure that customers must listen to ALL the endless options before being able to make a choice. *Note:* Be sure to put "Speak to a tech support team member" at the very end of the list, right after, "If you need to order an instruction book in Mandarin, press 202."

**2** If the customer is calling with a software problem, immediately blame their hardware.

**3** In order to maintain good customer relations, only put a caller on hold if you're taking a 15-30 minute coffee break. If you're taking a full lunch hour, take their number. Then throw it away and wait for them to call back.

**4** If the customer is calling with a hardware problem, immediately blame their software.

**5** *Remember:* To the customer you're a god, a genius who's 100 times smarter than they are. *Feel free to talk down to them.* *NOTE:* Don't worry about answering questions from computer savvy nerds. Since they don't call Tech Support, you'll never have to answer a question you can't fake your way through.

**6** If you have no idea what the customer's problem is, simply tell them, "You obviously don't have the latest upgrade." Then instruct them to search for it on the Web — that'll keep them busy for months.

**7** If it turns out a customer is calling with a valid problem that you already know about, say: "I've never heard of that happening before, but I'll ask a senior engineer. Please hold." Then, after your coffee break, come back on the line and give vague, confusing instructions on how to fix it.

**8** AOL is the official scapegoat for any hardware or software problems a customer may experience. AOL has screwed up so much over the last two years that anybody will accept AOL as the cause of their problem — even if they don't have AOL!

**9** Always be sure to ask the caller to list the other programs they're using. When they name the third one, immediately blurt out "Oh, there's your problem. That program isn't compatible with ours."

**10** *As an absolute final resort:* Tell the customer that an upgrade that will fix everything will be available in two months. This will buy us enough time to work hard...to update this excuse list!

# HUMAN TORCH SONG TRILOGY

HERODOM'S HUNKIEST HOthead, JOHNNY STORM, BURNS OUT OF THE CLOSET IN THIS TOUCHING STORY OF ONE MAN'S STRUGGLE AGAINST A SOCIETY THAT ALREADY HAS LITTLE TOLERANCE FOR GAY MEN WHO CAN'T SPONTANEOUSLY COMBUST! AUDIENCES WILL CHEER AND JOIN ALONG IN SHOUTING JOHNNY'S SUDDENLY-MEANINGFUL CATCH-PHASE, "FLAME ON!"

Damnit, Johnny! That's the third Halston original you've burned through this week!

Darn! When will they finally come out with a figure-flattering asbestos muu-muu?!!

Okay! Like, welcome to Bruce Wayne's World! I'm your host, millionaire playboy Bruce Wayne, and this is my ward, Dick Grayson! Party on, Dick!

Party on, Bruce!

Okay! Our first order of business is the Bruce Wayne's World Equipment Review! And here with that is Dick!

Thanks, Bruce! My topic is "The Batpole: Crimefighting Tool or Ride of Death?" Built for speed, the Batpole is a vital part of any hero's arsenal! But whenever I wrap my legs around it, I start feelin' kind of funny!

I know what you mean! I get that same feeling when I see Batgirl changing costumes! She's such a fox! If she were on PBS, she'd live in Mr. Rogers' BABE-orhood!

NIGHTCRAWLER AND CYCLOPS, THE BIGGEST MUTANTS IN BASKETBALL SINCE DENNIS RODMAN, HIT THE COURT IN THIS FAST-PACED, BUDDY PICTURE! KNOWING THE PLAYGROUND PREJUDICE AGAINST SKINNY BLUE BALLHANDLERS, THESE "HOOPER HEROES" HUSTLE THE BEST STREET-BALL PLAYERS IN L.A., USING NOTHING MORE THAN THEIR STREET SMARTS, MAD SKILZ AND SUPER POWERS!

# X-MEN CAN'T JUMP

I challenge you two to a pickup game, and I'll play with any partner you choose!

You got a deal, sucker! You have to take that short, fuzzy blue guy over there!

You've gotta be kidding me!

Hey, be grateful we didn't make you play with the bald geezer in the wheelchair!

# DANCES WITH WOLVERINES

A POIGNANT EXAMINATION OF MAN VERSUS NATURE VERSUS MUTANT, THIS SPRAWLING 19TH-CENTURY EPIC DEPICTS THE EFFORTS OF LOGAN (AKA WOLVERINE) TO GAIN ACCEPTANCE BY A NATIVE AMERICAN TRIBE.

Wolverine, you have shown yourself to be a true friend of my people! With your adamantium claws, you have tilled much land for us to grow food! With your claws you have dispatched many of our enemy to the Happy Hunting Ground! With your claws, you have cut down trees so that we may build shelter!

This friendship must be repaid! Is there anything that you wish me to do for you? Anything you ask!

A KINETIC TALE OF HIT-MEN, BOXERS, PETTY THIEVES AND THE SENSUAL WIVES OF CRIME BOSSES, THIS MOVIE INTERWEAVES THREE SEPARATE STORIES SO THOROUGHLY, EVEN THE "SEE LAST ISSUE" EDITOR JUST HUNG HIMSELF!

# HULK FICTION

IT'S GOT IT ALL: VIOLENCE, SEX, DRUGS, THAT OVERPLAYED "BWANG-GUH-GANG-GANG-GANG" SONG!

AND TARANTINO'S TRADE-MARK SNAPPY DIALOGUE NEVER SOUNDED MORE MEMORABLE THAN WHEN IT COMES FROM THE GAPING MOUTH OF A MONOSYLLABIC BEHEMOTH!

Did you know they have McDonald's in Amsterdam? But the menu over there is a little different!

Don't get me wrong, they've got Big Macs, but they don't call them that! Guess what they call them?

Close...they call them "Le Big Mac"! Heh! Imagine that! And you know what else? They don't have Quarter Pounders over there! You know why not?

GAAAAAARGH!  
NO ONE STOP HULK!

HULK SMASH! HULK CRUSH!  
HULK STRONGEST OF ALL!!!

ANYthing? I can't help but notice your nice, regular human fingernails...and I've had this INTENSE jock itch since 1858!

Sheesh...This guy makes the Gimp look like a friggin' speech instructor!

# JLA Confidential

A MULTI-LAYERED TALE OF GREED, LUST, MURDER AND KRYPTONITE - AND ONLY A DELICATE INVESTIGATION BY THE JUSTICE LEAGUE CAN UNCOVER THE SEAMY TRUTH! THREE OF THESE GUARDIANS TIPTOE THROUGH THE SHADOWS, TRYING TO PIECE TOGETHER THE CLUES BEFORE DRAWING TOO MUCH ATTENTION TO THEMSELVES.

LUCKILY, GROWN MEN WALKING AROUND IN FORM-FITTING RED AND GREEN TIGHTS, MASKS AND FEATHERS DON'T STICK OUT MUCH IN DOWNTOWN HOLLYWOOD!

You're not the real Wonder Woman! You're just a cheap hooker! Frisk her, Flash!

I already did - TWICE! Remember, I'm the fastest man alive!
